be an amazing variety of subject matter, energy unlimited, a tremendous resource of talent, and a bewildering interchange of people and ideas.

In a school as big as Thornton there is bound to

activity bus at four forty-five, Thornton
hums with a diversity of activity. Then
come evening school and evening events like
plays, games, parties, and meetings. After that,
night watchmen and maintenance crew are still
busy. Around the clock there is always someone
on the job at Thornton Township High School.
Numbers, numbers! Wherever one looks at Thornton
there are numbers—

Ed shops, and of course, in Math classrooms.

Business department, too, is full of numbers, all helping to train students for office work. There are numbers on doors to designate rooms, numbers

on the clocks to tell time, and numbers on cash registers to total cafeteria checks. A Thorntonite's life is made of

Looking Glass

more than study and homework. Many activities and courses he can take for the sheer pleasure of them. Art courses fall into this category. Art students have an opportunity to express themselves by their work. Dramatics is much the same and so is music. Not everyone can be the star of a production, but everyone can feel rewarded after a performance because of the effort he put forth, back stage or out front. Peering into the looking glass, he can see not only the reflection of what he is, but all the way through into the kind of person he wants to be and thinks it possible to be with a bit of luck and some determination.

Crowds make game time the exciting thing it is. Some Thorntonites go out for the active part of sports, hoping to make the teams. Some are willing to devote time, energy, and enthusiasm necessary to become cheerleaders. Some see to it that there is an organized cheering section. Some do their part by keeping crowds in order while others

undertake to keep the hungry ones filled. Their specialty is popcorn.

Then come traditional affairs like
those at Homecoming. What with
pep session, parade, open house, and
dress-up dance, there is a week-end
to remember. Thornton has both the
cheerers and the cheered!

## AROUND THE CLOCK

Thornton students and faculty live by the bell.

From the tardy bell at eight-five to the closing bell at three-twenty, those bells ring with relentless regularity to mark off class periods and lunch hours. Three-twenty means that classes are over for the day. There is a grand exodus to home-bound buses or to after-school activities.

PUBLICATION STAFFS met first period as well as home room. Because of schedule limitations, that might be the only time they had to work. When they could, staff members came in during the hours when they had no classes. Newspaper deadlines came every week. Yearbook deadlines started just before Christmas and loomed up once a month after that. Staffs managed to keep one jump ahead of their printers' demands. Meanwhile the rest of the school went on as usual, oblivious of their often frenzied activity. Freshmen visited the library and seniors overslept. Some people studied and others occupied space. Thorntonites were diversified.

**HEALTH SERVICES** were a big part of life at TTHS. Everybody took gym, either active or restricted, as a way of building strong bodies and establishing good health habits. For those who became ill at school or who should not have tried to come in the first place, there was help in the office of the school nurses. Bandages and dressings, advice and warnings were all part of their day's business. Some students were sent home under their own power or taken home by a parent who was called. In cases of emergency, the doctor's office or even the hospital could be their destination, but those times were infrequent. Health education through first aid procedures was taught in physical education courses. Home nursing units were included in homemaking courses. They gave excellent training in do-it-yourself methods when professional help was not actually needed.

Ping-pong is a popular game in RESTRICTED gym classes.

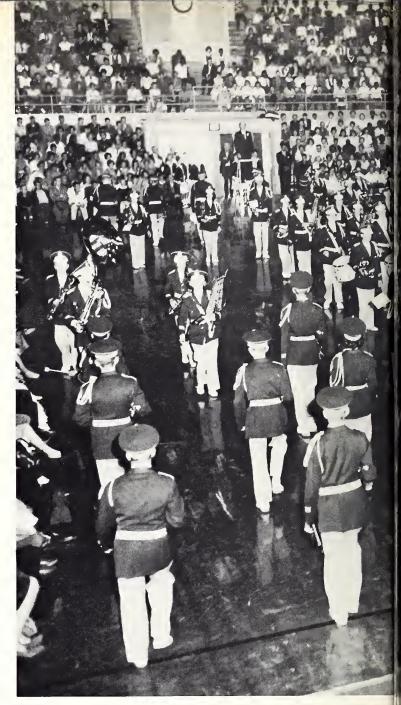

#### FACULTY SUPERVISION took a

variety of forms in the course of a day at Thornton. It might be helping a class with a research problem, as in the Social Studies library. It might be training a band for maneuvers at a pep session or on the football field. It could be watching over distribution of newspapers in home room on Wednesday mornings. Perhaps supervision took a more indirect form, behind the scenes, when a counselor or a teacher looked up a student's record to see what his previous problems and attitudes had been. In the faculty cafeteria at lunch time or coffee break, there was a chance for informal comparison of notes on each other's problems or for relaxing over that second cup of coffee.

A class assignment in the SOCIAL STUDIES library means research on a definite problem.

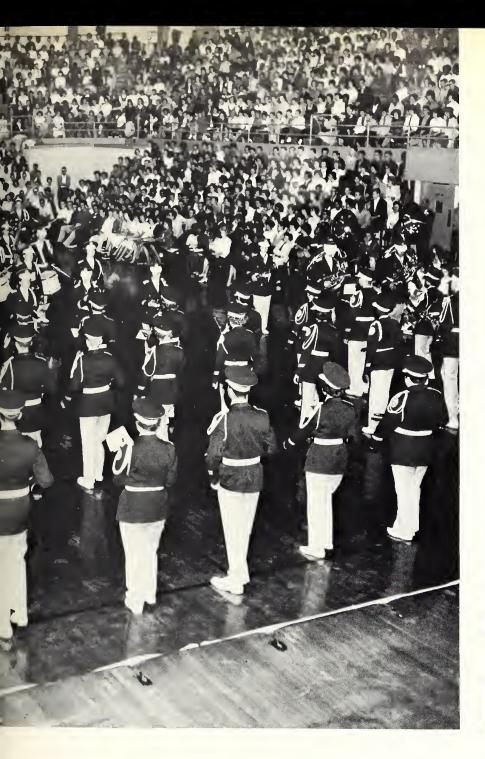

Band maneuvers at a PEP SESSION in the gym could be both eye filling and ear splitting.

Faculty CAFETERIA is a good place for late news—Mr. Roberts, Mr. Liehr, Mr. Hightower, Mr. Dulgar.

LUNCH HOUR in the student cafeteria was a good time for mugging the camera.

TIME TO RELAX and to have fun was included in every Thornton day. Cafeteria tables were the gathering places where friends met friends to pass along the latest word on many subjects. That could mean tests or class assignments or personalities. Club business was often transacted there. Bus tickets to out-of-town games, Purple X tickets, banquet tickets, play tickets were bought and sold either at the little ticket booth or by individual salesmen at the tables. Plans for the evening or the week-end were discussed. In fact, lunch was the principal break in the day. Faculty lounge was the spot where teachers went to get away from the hustle-bustle of classrooms and corridors. Gym classes gave everyone a chance to wake up at the beginning of the day or to unwind at the end. If the weather was such that classes could go outdoors, that was all the better.

of the year. Girls Club plays hostess; freshman girls and all others new to Thornton are guests. Traditional opening ceremony is the hand-shake line, a get-acquainted device.

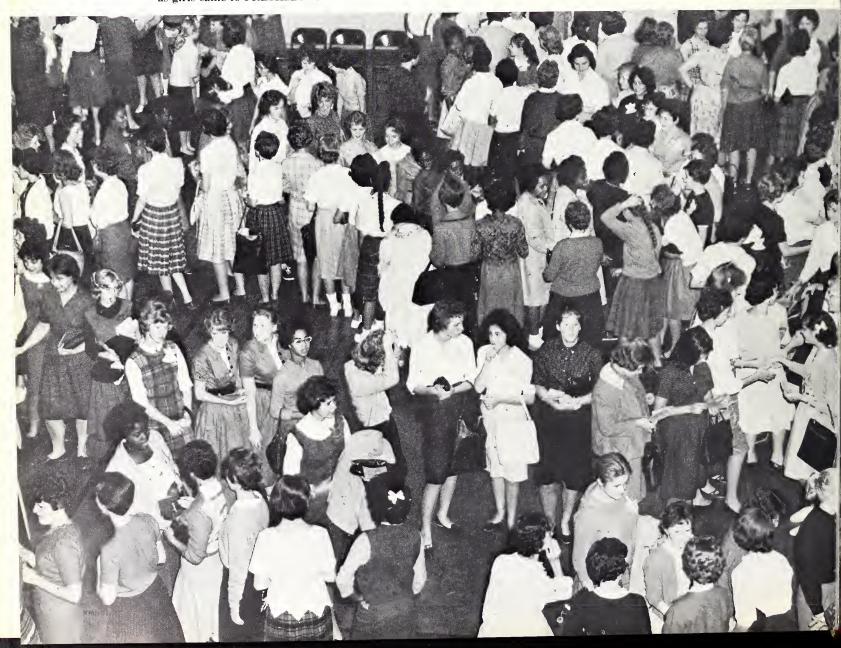

Entertainment calls for zany stunts by sophomores, freshmen, and juniors, and a style show by senior girls.

In a more serious vein are the crowning of the queen (Girls Club president) at the beginning of the party and the "Ceremony of the Green" at the close. Theme for this year's affair was "Heavenly Days"; the date, September 28. The name is traditional too, going back to the time when space was so limited there wasn't even room to sit on the floor—hence, "Stand-Up."

AFTER-SCHOOL PRACTICE sessions were musts for everyone connected with sports. While most students took the buses headed for home, Thornton teams and cheerleaders had strenuous work-outs on the football fields or in the gyms. Football squads, coming up the steps from the dressing rooms, jogged over to Buda field for practices so as not to dig up turf on the main gridiron. Cheerleaders practiced on the big field and so did the majorettes. Band maneuvers were perfected there, also, after being planned on the special little peg-board and translated into positions for people. Opening and half-time ceremonies at football games plus pep stunts in the gym called for practice.

Coaches watched scrimmage on BUDA field closely to be sure boys were alert and in condition.

# BY THE NUMBERS

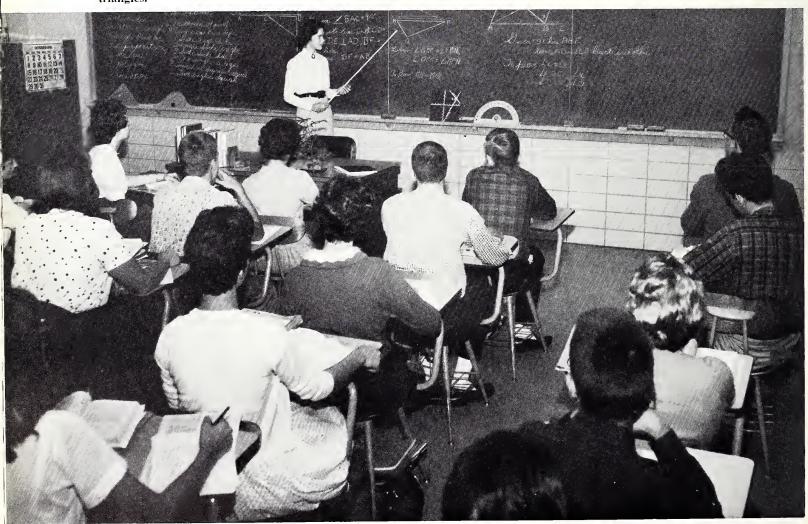

When it comes to numbers, Mathematics department takes priority. Numbers are their business.

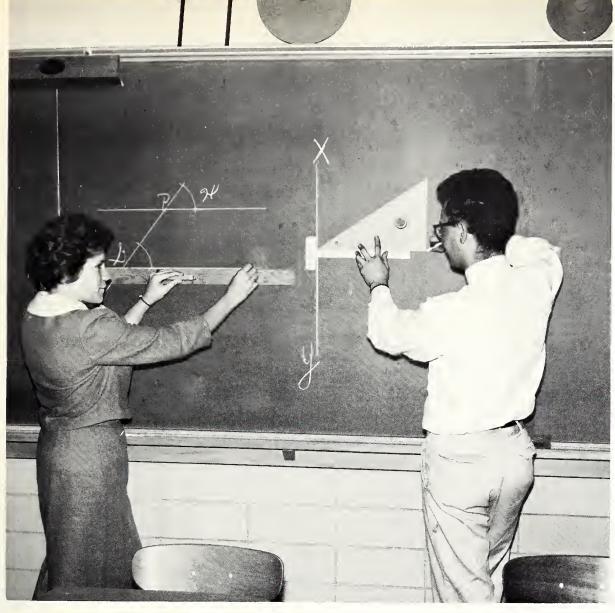

New this year was an experimental course in General Math I based on material from Yale

University. A senior group took analytical geometry for ten hours of Junior College credit.

Honors course now includes both plane and solid geometry.

MATH and OUTER SPACE—Laurel Rasplica shows how to measure inaccessible distances by congruent triangles.

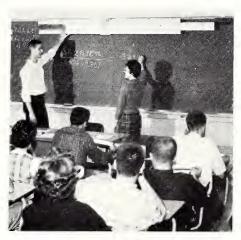

Andrea Coppoch and Jerry Drenner solve problems involving PARALLEL LINES.

Bob Kosmala and Melodye Kirk demonstrate the SLIDE RULE.

Carol Jay sets up a conservation exhibit for BIOLOGY classes.

GENERAL SCIENCE for freshmen and  ${f BIOLOGY}$  for sophomores is the general rule in Thornton science courses. However, accelerated freshmen may be placed in physical science or biology classes and go on to chemistry in their second year. Team teaching was done this year on an experimental basis. If a teacher had a specialty in biology, some phase in which he was particularly interested and well prepared, he taught that unit to all biology classes, and other faculty members worked on their favorite units. Classroom demonstrations and special faculty lectures were a big help to general science students who thus had a good introduction to the whole range of science. Individual projects might be collections of plants, insects, rocks, or they might be illustrative charts, posters, notebooks. Display windows, interesting to the whole school, became class projects.

Intricate parts of the human eye appear on the GENERAL SCIENCE chart Paul Schurr examines.

SCIENCE SEMINAR is the newest advancement in the Science Department curriculum. It is not a course nor a class but a process by which talented students may do creative scientific work outside of regular classrooms. Goal of the seminar is such thorough discussion of current scientific developments that members will keep up to date on their own. Thus, principal emphasis is on individual projects. Mr. James Kane, director, meets the group daily, periods five and seven. He helps members plan their research and supervises them in proper techniques. He encourages speculation on possible approaches and solutions to current problems. Members take field trips to research laboratories in the Chicago area and hear scientists discuss the many types of activities students can look forward to in a career in science. Each student must be actively involved in a research problem of his own choice and, on the basis of that problem, take part in the Westinghouse Science Talent Search conducted each spring over the country.

PHYSICS and focal lengths occupy Rosemary Philpot, Jim Dunne, Judy Bloomquist.

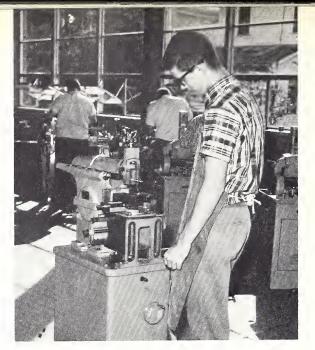

Using a model to determine ATOMIC structure— Mr. Harms, Pat Norris, and Art Reblitz.

Production of hydrogen sulfide in CHEM LAB—Ed Dunne and Ralph Becker.

Using a SHAPER—John Tilton.

### INDUSTRIAL EDUCATION department

has added both new equipment and courses this year. The Bridgeport vertical milling machine, the "Speedmaster" White printer, Logan shaper, and the "Nu-Arc" light table are on the list of new equipment. The first two were purchased by Thornton Junior College for the use of high school classes as well as their own. Two new courses are Basic Industrial Arts I and the third semester of Architectural Drafting. Fifteen students are enrolled in the Diversified Occupations class, including four girls. D.O. members take on-the-job training besides their academic classes at TTHS.

WOOD SHOP. Dave Lingo shows Clifford Danzy how to assemble a plane. Cecil Bailey (left) watches.

#### INDUSTRIAL EDUCATION shops at Thornton serve

Thornridge too. Every day thirty-four students from there join Thornton juniors and seniors in the four in-school Vocational classes. They commute between the two schools by bus. Some of the more expensive equipment is thus made to do double duty and ease the strain on the budget. One of the many projects of the Industrial Education classes this year was to make the wiring panels for Industrial Arts I and Electricity. Two girls have now invaded the department. One takes Graphic Arts and the other Auto Shop.

GERMAN—Sheila Divekey writes an open-book test.

LATIN—Ronald Romba, Mary J. Celebucki, Donna Savageau admire Julius Caesar.

#### Thornton's FOREIGN LANGUAGE

department employed some of the new teaching

techniques gaining in favor today. Now in addition to the laboratory used by all classes, there is a new method known as ALM (Audio-Lingual Materials). Beginning Spanish and German classes used the ALM records and tapes. More traditional were the Christmas skits and plays. German students presented "Rotkappchen" or "Red Riding Hood," and sang carols at the homes of their friends. A special puppet show was written and presented by French III and IV classes. To the advanced Latin courses were added Cicero, Sallust, and Ovid. All classes took the Latin Day tour of Chicago museums. Spanish students assembled notebooks on current events in Latin America and Spain and saw an exhibit of dolls from these areas. Outstanding students from all classes were recognized at the Language Honors assembly in May.

SPANISH—Mary Griffin makes a tape recording as Wayne Turner holds up the card.

FRENCH—Aloutte watches over Carolyn Grotenhuis, Amelia Jones, Renee Green, Terry Dal Cason, Terri Rutherford, Irene Kalesnekoff, Pam Bennett, Pat Norris.

ENGLISH committee—Donna Galloway, Mary Grotenhuis, and Laurie Lewis plan a discussion.

HISTORY charts were class projects—Sheryl Corcoran, Susan Genovese (front); Veronica Jones, Gary Jordan; Bill Norby, Jeraldine Clore; Bob Madon, Bonnie Barnhill.

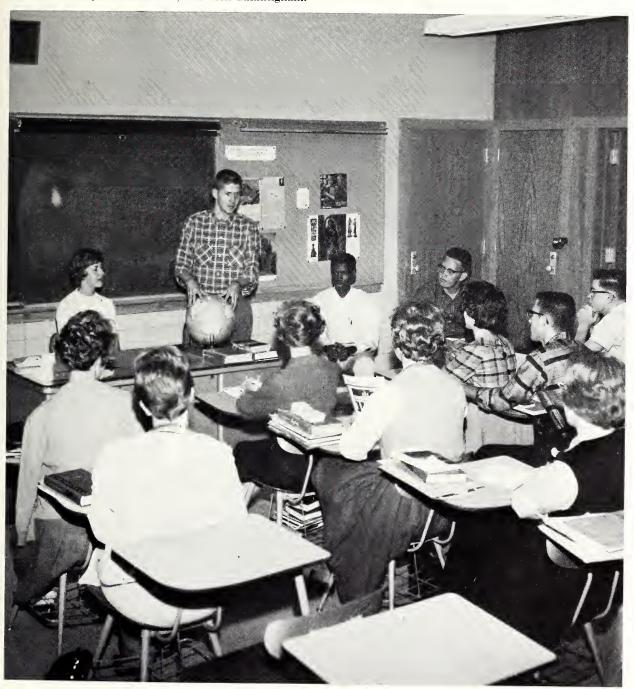

Karen Chrzastowski shelves books in the English RENTAL LIBRARY.

ENGLISH and SOCIAL STUDIES are Thornton's two biggest departments in faculty personnel. Since all students are required to take four years of English (except trade students who must have three) and since Social Studies I (freshmen) and American History are required of all Thorntonites, the two departments are large. New this year in English was the Sequential Writing Program, which starts with freshmen and progresses through seniors. Aim, of course, is to help students develop their writing skill. Two field trips for Social Studies classes included one to Manteno State Hospital and one to Washington, D. C. Mr. Edward Derwinski, State Representative, visited U.S. History classes.

Jean Nelson (left) moderates a MODERN HISTORY panel with Bill Peters, William Smith, and Rich Cunningham.

TYPING—Miss Wray answers a question for Judy Mazurek on a speed exercise.

SALES window—Paul Rinella, Jerry Shearer, and Rosemary McCarthy (outside) check on Dave McChristie, Howard Jerz, and Ed Cermak arranging a men's clothing display.

## BUSINESS EDUCATION department trains students to enter the business world. To basic

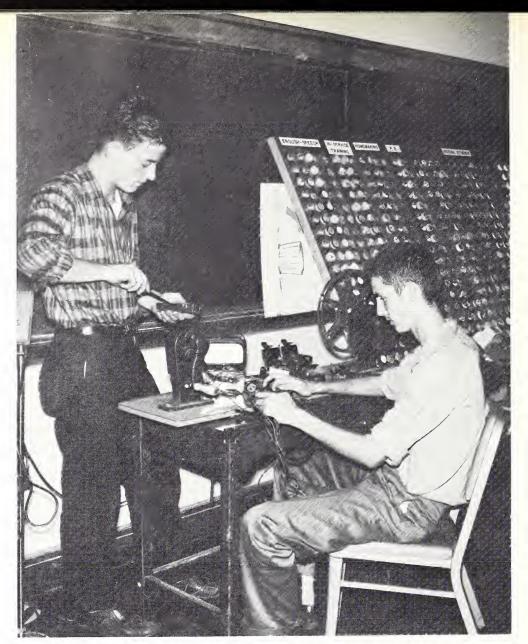

trains students to enter the business world. To basic courses like shorthand, typing, and bookkeeping are added secretarial practice and acquaintance with modern business machines. New pieces of equipment were the IBM electric typewriters (first kind without carriages), comptometers, a comptograph, Burroughs calculators, and an Underwood bookkeeping machine. Students attended the National Office Machines conference at DePaul, took in a social security project, and followed a work program in school offices. Twenty-four enrolled in the work-study program, Distributive Education. Four earned U of I scholarships. Four college students from ISNU and NIU did practice teaching at TTHS. Newest course was Notehand, a shorthand for college-bound seniors.

Donna Cerino uses the POSTING machine.

all departments. Through the director, his secretary, and student A-V squad members, it was possible to order films and slides to supplement textbooks. Portable equipment, complete with operators, could be scheduled for classrooms. Departments arranged for large-group showings in the auditorium. Sound equipment for records and tapes was also available. Overhead projectors were so popular that three new ones were ordered. Service pins were given, for the first time this year, to students who had

Quickest way to the land of imagination is in the various forms of ART, as students in the department soon found out. Art Studio, a new course, was open to all qualified fourth-year students. They had quite advanced projects to do. A stone cutter and polisher and a buffer were new pieces of equipment. There were entries in the Junior Red Cross International Art Exhibit and in the National Scholastic Art Awards.

Interesting pieces came from JEWELRY classes— Joanne Mangnus, Neil Sorenson, Tina Maranto.

Marilyn Lau experiments with colors in her DRAWING and PAINTING class.

CERAMICS took lots of patience—Karen Meister operates a potter's wheel as Calvin Mays shapes a head in clay.

Crafts classes liked CARDBOARD printing—Mary Jane Kwasny, Bill DeRooy, Jean Kennedy, Jim Pew.

PAPER CONSTRUCTION meant lots of color—Paula Taylor, Floyd Williams.

MARCELLUS (Bob Turek) confronts the Centurion (Ken Denson) in drama club play.

At the drama RECEPTION, Dennis Bucholz explains department plans for the year.

CHAIRMEN. Barbara Matuska, Carol Scholten, Irene Kalesnekoff, and Sue Markee.

READY to go on—Irene Kalesnekoff, adjusts costume as Georgi Chlebicki (Joanna) talks to the Centurion.

CAST. Kneeling: Karene Marshall (Martha), Diane Devin (Esther), Joyce Yatsak (Sarah). At the couch: Dennis Hale (Stephanos), Bob Turek (Marcellus), Elaine Kavelaras (Rhoda), Joe Jones (Simon Peter), and Bob Kane (Demetrius).

# ROBE OF THE GALILEAN was the

first production of the newly created Speech department. Actors and also directors were selected from drama classes and drama organizations. It was presented to freshman English classes as part of the new Curricular Theater project of the department. Primary objective of this effort is the cultural education of students through presentation of quality productions of plays that are educationally valuable. At a department reception on the stage, early in the fall, student speakers outlined plans for a series of productions for other English classes, for the whole school, and also for the general public in the Harvey area.

Joseph (Dan Plucinski), one of the ANGELS, talks to Madame Parole (Carol Scholten).

CAST—Front: James Bachman (Alfred), Irene Kalesnekoff (Marie Louise), Deanna Bolnick (Emilie). Rear: Ronald Weseloh (Jules), Dan Plucinski (Joseph), Dennis Hale (Felix).

CAST. Doug Klaviter (Paul) and Bob Turek (Henri).

In the DUCOTEL home—Irene Kalesnekoff (Marie Louise), Robert Silzer (Lieutenant), Deanna Bolnick and Dennis Hale (Emilie and Felix Ducotel).

MY THREE ANGELS by Sam and Bella Spewack, was the play presented by the Speech and Theatre department of Thornton in November. The play was based on the original French comedy, "La Cuisine des Anges," which was a great success in Paris for over two years. Miss Eleanore Szymanski directed the play and Mr. Glenn Schuermann assisted as the technical director. Other faculty and many students helped with production details.

WARDROBE mistress, Judy Moran, checks the costumes for "Doctor in Spite of Himself."

TECHNICIANS Dave Ranson (music and sound effects) and Bill Cook (lights) were indispensable.

MAKE-UP, coming or going, was fun—David Mussa, Joanne Bachar, Carol Scholten, Deanna Bolnick (adjusting wig).

New HOMEMAKING apartment gave an excellent chance to practice serving and being served—Sandra Goletz, Pat Silski (serving), Cheryl Linker, Patricia Goryl.

HOMEMAKING department course of study is divided into three sections. Homemaking I and II teach cooking, sewing, and meal planning. In Homemaking III, girls encounter problems that would occur in typical home situations and are taught how to solve them. To the laboratories and classrooms there have been additional improvements since last year's extensive remodeling. The living and dining area of Room 221 has been redecorated, with walls painted and papered and new drapes and carpeting added. Contemporary furniture was purchased to go with the attractive new interior. Girls have enjoyed using it for special projects. They liked showing it off when guests were invited to sample the cooking. That might be for an afternoon tea for mothers, a luncheon for some special visitors, or a dinner for the Board. They liked the appreciative comments they heard.

MODERN equipment was important in the laboratory—Barbara Blount sets a table; Barbara Beattie puts in the muffins.

DECORATING the Christmas tree—Otto Throw, Nancy Gibson, and Linda O'Brien.

Mr. Walter Armbruster DIRECTS the chorus at the annual Christmas concert.

DANCE GROUP at the concert—Karene Marshall, Debby Johnson, Jim Scott, Effie Oliver, Barbara Perry, Bonnie Dubey, Marilyn Lau, and Joan Licina (front).

COFFEE AND—was an annual affair for the faculty. Miss Barmore (pouring), Dr. Logsdon, Mr. Renfrow, Mr. Dulgar (hosts).

French class put on a Christmas PUPPET SHOW. Pat Norris, Terry Dal Cason took parts.

CHRISTMAS SEASON is always a happy time at Thornton. The Art department contributes colorful and unusual decorations to the halls and windows and showcases. This year's decorations ranged from modern mobiles to traditional stained glass window designs. There was a gaily decorated tree outside the courtyard. As always, there was the traditional Christmas concert. This season, to the choral numbers, were added one by the dance group, Orchesis, and another by the verse-speaking choir of the Speech department. Madrigal Singers were outstanding in their new outfits. The boys wore white tuxedos and the girls, cream brocade sheath dresses. Pere Noel appeared again in the French department puppet show and Girls Club welfare committee sold Christmas tags to raise money for their projects. Junior Red Cross collected toys for their Christmas stockings.

A HAPPY MOMENT—Joe Jones (Leandre), Dennis Bucholz (Geronte), Arletha Reed (Lucinde), Joanne Bachar (Jacqueline), and Michelle Redman, the maid.

#### THE DOCTOR IN SPITE OF

HIMSELF, a three-act farce adapted from Moliere's comedy, was a new departure in Thornto dramatics. A 17C play was quite different from the usual modern ones. The story is of a woodcutter who is thought to be a famous doctor. The complications arising are hilarious. The play was presented January 18 and 19 by the Speech and Drama department. Mrs. Helen Kalian, director, said that sixty tried out for the eight starring parts. Students strove to sell tickets for the Saurday show, to win the prize of dinner for two and tickets to "Sound of Music." Colorful costumes, excellent make-up and well-designed stage sets added to enthusiastic acting the necessary ingredients for the audience to have an entertaining evening.

ZANY COMEDY—Bob Turek as Sganorelle and Bill Mitchell as Lucas, the servant.

SGANORELLE takes a beating from the two servants, Valere (David Mussa) and Lucas (Bill Mitchell).

M.C.'s were Bob Peal and Sue LaPointe.

FOUNTAIN corner attracted couples—Curt Hahn, Carolyn Campbell, standing; Becky Bruhn, Gary Halley, seated.

GIRLS CLUB dance and Mother-Daughter dinner are two big affairs of the year. The dance, "Wish on a Star," February 10, was a lovely midwinter party. Ray Pond's band provided the music for dancing and student entertainers took over the floor show at intermission time. In the complete turnabout weekend accompanying the dance, boys received the Royal Treatment. Girls walked fellows to classes, carried their books, opened doors for them, and helped them with their coats. Big event of the spring is first the announcing of the May Queen court at a club assembly and then naming of the queen and her maid of honor at the Mother-Daughter dinner. Members of the court are first elected by their classmates and then all the girls in school vote for queen and maid of honor. Their announcement is the climax of the party.

SWINGING on a star—Karen Johnson, Leif Christensen.

STAIRWAY to the Stars was a major attraction for dancers.

### WHILE THE CROWDS CHEER

Whether you study or play, it's fun to have some-body appreciate what you do. K.I.P. was good at that. They appreciated the football teams, the alumni, and TTHS student body all in one big happy weekend known as Homecoming. A pep session, a parade, a game, an open house—all on Friday, November 27—and a dress-up dance to top off the whole thing on Saturday took some doing. Since K.I.P. is al all-school organization, it was a sure thing that everybody would join to help everybody.

HOMECOMING COURT. Chris Cent, Fred Aprati, Elaine Kavelaras, Bill Guzaski, John McKibben (King), Donna Torrence (Queen), Bob Mandernack, Sandy Painter, Glen Becker, Holly Hoebel. This was the climax of Homecoming weekend.

SINGER Doug Claviter was an entertainer.

The SWING was background for Camera Club pictures—Tom Renner, Carole DeYoung.

Traditional DANCE of the King and Queen—Donna Torrence, John McKibben.

Pierot and Pierette were CENTER decorations— Leroy Brody, Barbara Freese, Carol Brintnall, and Howard Humbles.

MC's at the dance-JoAnn Bargiel, Ken Wiegand.

PEP CLUB float-Nancy Pavlak, Diane Devin.

HOMECOMING THEME was "Down Yonder," borrowed from that old-time favorite, "Way Down Yonder in New Orleans." At the pep assembly on Friday, hosted by Jean Edelhoefer, the Court of 1961 was named. Then everyone was off to the parade, after which Thornton met a sorrowful defeat by Lockport. The PX after the game, however, was as crowded as usual. With Saturday came the decorations and the Homecoming Ball. Dancers watched G.A.A. triumph when parade winners were announced. They took Best Float, Best Car, and Best All-around Entry. Second and third place floats went to Senior Class and Purple X. Second place car was by Homeroom 133. Of the many marching units, TTHS Band was judged Best and Debate Club, Second Best.

TRAMPOLINES were the busiest pieces of equipment at the KIP Gym Jam.

REFRESHMENT CREW were always busy at games
—Kathy Kohl, Lee Anderson, Miss Rio.

#### GYM JAMS and FOOTBALL EXTRAS

made Thornton weekends something special. Big crowds always came to the fall and spring gym jams sponsored by K.I.P. All the facilities of the gymnasium were open to TTHS students. There were volleyball, basketball, trampoline, swimming, ping pong, or the usual pastime of just standing around watching. Purple X open house dances after all home games, basketball season as well as football, gave Thorntonites a place to let off steam. Hungry crowds had to be fed at football games, so Girls Club Refreshment Crew did their part, both as a service and as a money-maker. Mr. Lilley's popcorn machine always got a workout. Cokes and coffee shifted popularity with the weather. Homecoming crowd, pepped up by the afternoon's assembly and parade, kept the crew busy, both at the window and in the bleachers.

YEARBOOK float—Margaret Siville, Sherry deVries, Sheila Divekey, Pam Mann, Veronica Poremba.

SHUFFLEBOARD was also popular at Gym Jams—Stephen Sachs and Dorothy Stephenson were partners.

PURPLE X float—Kathy Kohl, John Godwin, Georgi Chlebicki, Lisl Peterson, Peter Lunde, Bob Edwards.

FRESHMAN boys were trained in mass drill in their physical education classes.

Swim classes often took KICKING positions at the pool edge.

WEIGHTLIFTING was excellent practice—Ken Brooks, toe-raise; Randy Carlson, leg press.

#### **BOYS PHYSICAL EDUCATION**

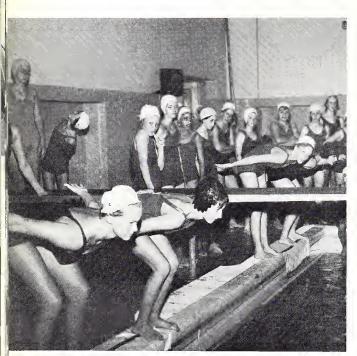

has grown tremendously at Thornton. State requirements that all students take four years of P.E. have been responsible. Two of the newest classes to be added are Weight Lifting and Restricted Gym. The former gives students an extra choice of courses to take and the other offers a form of P.E. to boys who are injured or who have physical disabilities. Health units such as First Aid and Physical Fitness make boys aware of emergency measures as well as day to day health rules. Chairman of the department is Mr. Carl Mendenhall. There are thirteen faculty members in Boys P.E. They help keep Thornton boys in top physical condition. Some of them also coach interscholastic sports or help with intramurals.

GYMNASTICS—Mr. Foerch helps Joe Ladislas with the knee-hang position.

Jim Blackburn tries the baseball throw in PHYSICAL FITNESS class as Mr. Carlson watches.

SWIM CLASS races were fun—Dale Glass, Jean Snyder, Sue Chat, Sue Sachs.

RESTRICTED gym—Chess players Jacqueline George, Kathy Macander.

VOLLEYBALL in a crowded gym used all the available space.

#### GIRLS PHYSICAL EDUCATION

department has been busy this past year with both in-school classes and after-school activities. Girls Athletic Association sponsored a swim pageant in April. Colorful scenery and synchronized swimming routines were highlights of the show. The annual Posture Contest was climaxed at the G.A.A. Tea after school on February 15. This year's contest had a variety of queens, one from each of the four classes, and an all-school queen chosen from among them. In-school classes followed the same general curriculum in effect for some time. Freshman girls had gym, while sophomores and juniors had their choice of rhythms, sports, and swimming. Senior classes had individual sports like tennis, archery, bowling and trampoline.

They elected a table-tennis queen. Game scooters were new equipment for them.

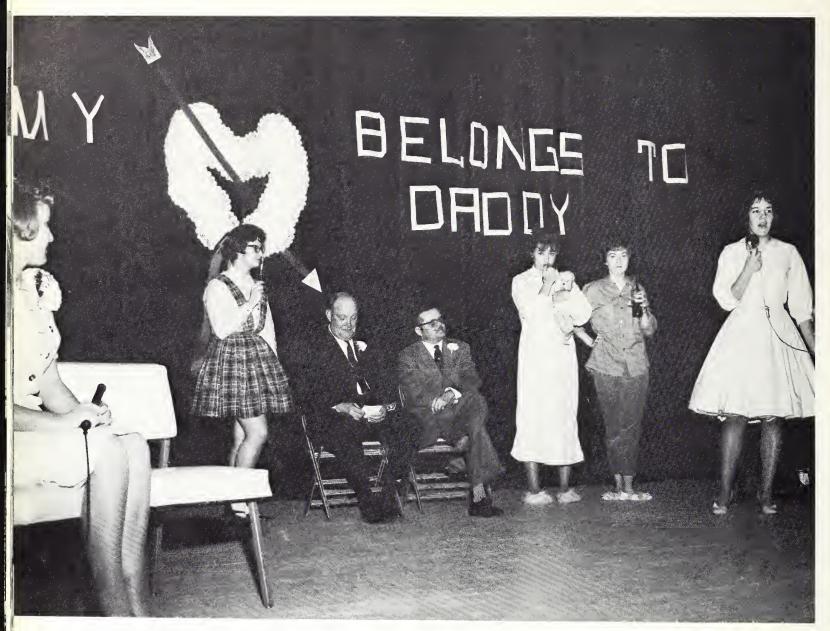

REMODELED dressing rooms were a joy to use— Lynn Farmer, Sandy Windt, Frances Graves.

SPEEDAWAY was an especially popular outdoor game.

STAGE SHOW. Barbara Carlson, Sue Sachs, Mr. Carlson, Mr. Yatsak, Vicki Moser, Barbara Helsly, Rose Macander.

BANQUET. Dads and daughters got acquainted with neighbors.

BOWLING AWARDS. Front: Sherry Koopman, Jean Kennedy. Rear: Sharon Jarog, Sharon Kaminski, Trudy Patterson.

**DAD-DAUGHTER** banquet was a fun night when girls proved that "My Heart Belongs to Daddy." Dinner in the cafeteria was followed by talks and skits in the auditorium. Since this was the first party for dads in two years, tickets sold rapidly and there was a waiting list. Saturday, December 9, was the date. Approximately 550 attended.

G.A.A. POSTURE QUEENS were presented to their friends at a tea, February 15. Previously, gym classes had had an elimination contest to determine the four queens. Then they elected an all-school queen among the four, with identity not revealed until the party. Other G.A.A. awards were given also—big and little T's and bowling cups.

POSTURE QUEENS. Cheryl Goodwin, freshman; Beverly Marionneaux, sophomore and all-school queen; Paula Martch, junior; and Barbara Foulks, senior queen.

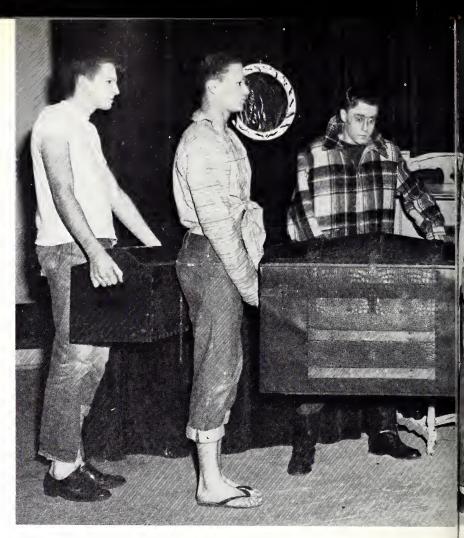

Paulette De Young crowns the 1962 Queen, Beverly Marionneaux.

At the FATHER-SON STAG dinner boys and dads had food and fun.

Nellie Forbush (Elaine Kavelaras), Sgt. Billis (Dan Plucinski), and friends rehearse SOUTH PACIFIC.

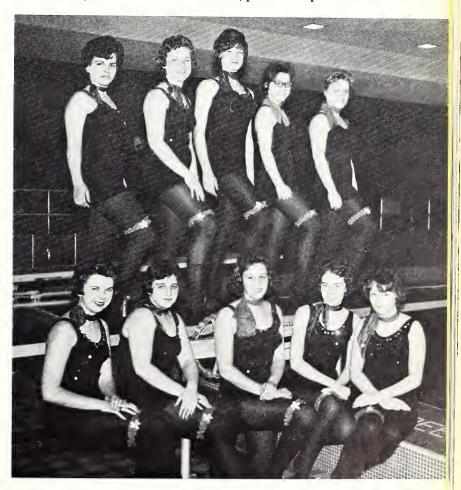

Nat (Dennis Hale), his sister (Deanna Bolnick), and the cast of WHERE THE CROSS IS MADE present a dramatic moment.

SOUTH PACIFIC climaxed the dramatic productions of the year. It involved a large cast, plenty of action, and excellent talent. It was the most ambitious production of a goodly list from the new Speech and Drama department. Because so many people were familiar with both the music and the story, the audience enjoyed the play all the more. Not so well known was the one-act play, Where the Cross Is Made, but its impact on all the English classes who saw it was very strong. Girls Athletic Association presented their biennial revue in the April swim show, Tickets to Broadway. Colorful costumes, interesting swim routines, and an imaginative background interpreted a series of Broadway hit tunes from well-known shows. Boys Club, in their Father-Son Stag, departed from the traditional tour of the shops to present wheelchair basketball, an event that was both dramatic and sporting. Dinner in the cafeteria preceded the game.

Mr. Glenn Schuermann, director, explains to some of his SOUTH PACIFIC cast just how he wants it done.

THORNTON ORGANIZED DIVERSITY

Organizations at Thornton are numerous.

No matter what a student's interest may be,
he can find a club that is sponsoring it. Or
if he can't, he can organize one. Radios,
motion pictures, sports, welfare, and
modern dance are only a few of the outside
interests of Thornton students. Whether
he prefers stretching his muscles, showing
films, or rooting for the team, he can find
someone who wants to join in the fun.

#### K.I.P. is all Thornton

To promote worthwhile student activities for the purpose of building democratic principles is the aim of K.I.P., Thornton's student council. K.I.P. has two main groups in its organization. The executive board consists of twenty-three members who met every day during homeroom and first period in the K.I.P. office. The forum, made up of a representative from each homeroom, met once a month. These groups were counselled by their faculty adviser, Mr. Thomas Hanrahan.

Last summer the elected officers attended the national student council convention in Oklahoma City, the national workshop at Estes Park, Colorado, and the Illinois state workshop at Eastern Illinois University, Charleston.

At the N.E.-N.W. student council convention hosted by Thornridge, Jean Edelhofer, a junior, was elected to the office of district corresponding secretary.

Big and busy are words to describe K.I.P. Their first project was Freshman Orientation Day, when incoming students were helped by friendly and sympathetic upper-classmen.

The Calendar was published both as a service to students and as a money-maker.

Biggest project was the Homecoming weekend beginning Friday afternoon, October 28, with a pep assembly. A parade followed, complete with prizes. Saturday night brought the Homecoming ball, where the Queen and King were crowned.

K.I.P. also sponsored two Gym Jams, Student Council Week, and the ever popular Student-Faculty Basketball game.

#### Purple X handled dances

To promote good school spirit and provide recreation after home athletic games is the purpose of Purple X Committee.

PX sponsored eleven open houses this year, one in cooperation with Thornridge. The funds from these dances were used to finance an all-school assembly.

Working in cooperation with K.I.P. in sponsoring a contest to decrease absenteeism was another service that the PX rendered.

Purple X also worked along with other school clubs in the American Field Service program.

In April the annual banquet was held to install new officers and initiate newly elected members.

#### Girls Club organization

Twelve hundred girls can really keep the Girls Club busy. Social affairs included the traditional Freshman Stand-up, Dad-Daughter and Mother-Daughter banquets, a dance, and the Girls Club Conference in the spring at an area high school.

Special recognition was given to outstanding girls at the Scholarship teas, on Installation Day, and in choosing a Senior Citizen. Under the guidance of Miss Helene Wilson and hard working chairmen, welfare projects were carried out. The club sponsored a Korean family, Kentucky schools, and CARE packages and visited convalescent homes. Girls Club for three years has been sponsoring exchange students. In 1959, Lina Bellosillo came from the Philippines; in 1960, Chris Bisjak came from Germany, and this year, Leif Christensen came from Denmark.

Major officers meet several times weekly, board bi-monthly, and council as called.

Boys Club was formed to assist every boy at Thornton to get the most profit and pleasure from his high school life. Under the direction of Mr. Mel De-Graff, dean of boys, and Mr. Robert Anderson, assistant dean, the board meets monthly.

This year boys enjoyed the Father-Son Stag and the Mother-Son Banquet. They helped sponsor the all-school play, "My Three Angels," and they promoted a play-nite for club representatives. A basketball game featuring the "Gizz Kids," following the Stag, was open to the public.

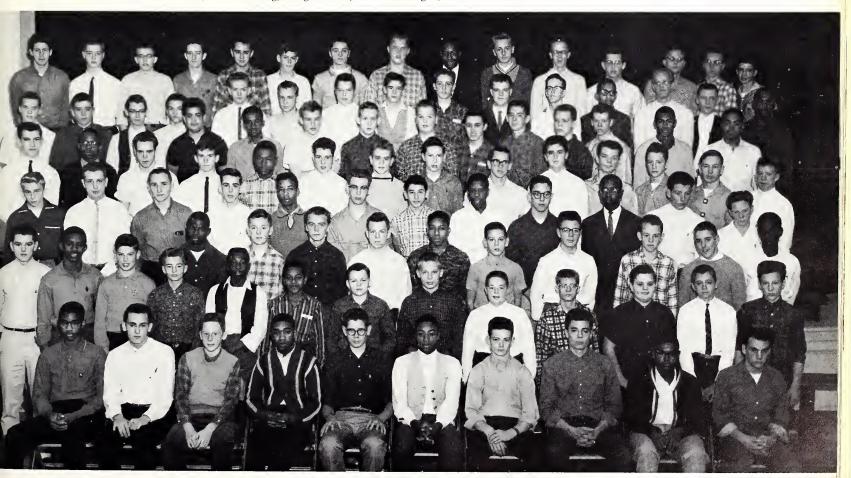

Two other club projects are the Hall Guards and Bus Guards. Ninety-five boys keep the halls free from distracting noises during class periods, check lockers, assist visitors, and maintain order on the busses. Outstanding guards are named to an Honor Guard each year and their names are added to a plaque hung in the Boys Club office.

A year's record in pictures and words is completed. The yearbook is out! To students this means looking for their own pictures and those of friends. To staff members it means the end of a year filled with proofreading, typing, sorting, filing, and fun.

This year's Thorntonite measures 9 by 12 inches instead of the old 7% by 10½ of previous books, contains more color photos and has eight more pages.

Jayne Blessing, Sherry deVries, Sheila Divekey, Sharon Jarog, Linda Lyon, Pam Mann, Cammie Mc-Daniel, Bill McGowan, Sandy Painter, and Margaret Siville worked as full time staff members. Veronica Poremba and Diane St. Pierre were part-time.

Journalism students, fifteen in number, worked first period, before and after school, and during free periods to meet the ever pressing deadlines of The Thorntonite newspaper.

Table and chairs, replacing desks, were new equipment in room 108, the classroom adjoining the newspaper office. In the office itself, spacious new cubby holes replaced the small worn-out pigeon holes to provide more space for staff members to store personal items.

One of the thirty issues of The Thorntonite was a six-page, three-color Christmas edition, now a tradition at TTHS.

The staff relaxed at a Christmas party at Mr. Olson's home and at a June picnic at the Dunes.

Whether it be French, German, Spanish, or Latin, Thornton's foreign language students were active this year in class and after school.

German students held a program in each class once a month, went caroling at Christmas, took part in the National German Contest at the University of Chicago, and corresponded with students in Germany.

Spanish students saw a doll exhibit with authentic costumes and watched the movie "Don Quixote." In the Christmas pinata two lucky students drew tickets to downtown shows.

Through the use of skits and programs presented in class, *French students* increased their fluency. They gained valuable background through maps and displays.

Latin students conducted their once-a-month meetings as the Romans did, with consuls, pro-consuls, and scribes. They sang Christmas carols in Latin, and toured museums on Latin Day.

Perigon Club seeks to further interest in mathematics among club members. This year they participated in a mathematics contest and sponsored a visiting lecturer for a math assembly.

Thornton and Thornridge have a joint Radio Club to develop their hobby and their interest in electronics. Three boys have been trained as ham operators by learning the code. A Field Day in the spring is included in their activity.

#### Dances, assemblies needed music

String Choir, directed by Miss Charlotte Chambers, meets during homeroom period daily, as a build-up for Thornton's orchestra.

Percussion section of the band provided most of the sound effects for special numbers. As a part of both the Concert and Marching bands, the group played at all functions.

Thorntoneers, Thornton's dance band, provides music for Purple X open house dances after all home games. Mr. Lyle Hopkins is director. This group went to Millikin University in Decatur, on November 18, to present a jazz concert for Downbeat Magazine. They took part in a stage band contest at Homewood-Flossmoor High School and were in the Chicagoland Stage Band contest at Oaklawn.

They met for practice on Tuesday evenings from 7:30 to 9:30 in the band room. Many Thorntoneers have received scholarships from the Band Parents Association and some of these boys have attended the Stan Kenton Clinic at Michigan State.

Concert Band was a separate unit but many students played in both. Junior Varsity Band was a training band for the other two.

Thornton's choral groups were very popular this year. The mixed choirs, arranged last year by class distinctions, have combined to form the Advanced Mixed Choir and the Intermediate Mixed Choir—no class distinctions are necessary to be in either choir. There are eighty-five members in Advanced Mixed Choir, and sixty-five in Intermediate Mixed Choir. Both are under the direction of Mr. Walter Armbruster.

Miss Thompson's Girls Choir has learned to appreciate more than just reading music. Dynamics and performing techniques were a part of the genral training. Being the most advanced girls group, they prepared themselves for one of the mixed choruses. From Girls Choir came the Keydets, a group of thirteen under the direction of Miss Goldie Cochrane. They rehearsed every other morning during homeroom because the time must be shared with the Klefs, who also attended the same homeroom.

All work and no play would make
Thornton a dull school! However, with
almost every sport represented somewhere
on the list, there is not much worry about
TTHS growing dull. Of course, boys make
the headlines in the sports world, but that
doesn't mean that girls aren't interested,
not by any means. Girls participate not
only in their gym classes, but also after
school in G.A.A. activities.

JOY at Thornton when the game was going good . . .

THORNTON FANS liked going to games. They liked football games with big crowds, their special friends, and plenty of excitement on the field. They liked to munch popcorn, to drink cokes, and to watch the half-time entertainment. They were proud of their cheerleaders and the band. They liked those fast-moving basketball games with close scores so they could yell themselves hoarse and chew their fingernails down to the quick. Pep meetings, parades, thrills, and tears were all part and parcel of sports at Thornton. Less spectacular sports like wrestling and swimming had their share of loyal supporters. Intramurals attracted hundreds of boys and girls to be active in sports as well as spectators. They too drew their share of Thornton fans and earned their share of letters and awards and publicity.

Band maneuvers gave to the MAJORETTES a chance to perform.

CHEERLEADERS trained and worked as hard as the players.

LETTERMEN'S CLUB. Seated: Jim Wilkerson, treasurer; Glenn Weaver, 2nd vice-president. Standing: Joseph Warnell, sergeant-at-arms; Henry DeBose, secretary; John McKibben, 1st vice-president; Glenn Becker, president.

Although Thornton's 1961 football season was not so successful as last year's, the boys played hard and with a good fighting spirit. Varsity had an off and on season, finally coming out in the win column with a 5-4 margin, but not enough to make a good showing in the league.

Injuries plagued the *Varsity*, taking fullback Henry DeBose and quarterback Glenn Becker, but five made the South Suburban All-Star team. They were cocaptain Glenn Becker, plus Leroy Jackson, Glenn Weaver, Joe Warnell, and Ted Flournoy.

Sophomores, led by Vernis Mims, captured third place in the league. This year's squad will furnish next year's varsity with many fine players, such as Mims, Jim Capolillo, Robert Jackson, and Bob Covert.

Players from the *Junior Varsity* rotated with the varsity to gain skill and mobility. They ended with a 2-1 record for the season.

Although the *Freshmen* had five losses to one win, they gained experience for next year.

COFFEE BREAK. Clockwise: Coaches Ted Czech, Bob Blaha, Dick Foerch, Frank Bauman, Joe Keane.

VARSITY. Ted Flournoy, 26, cuts to the right to avoid Waukegan tackler while Joe Warnell throws a key block on his opponent.

Thornton's freshman team had a dismal season, winning only one game, losing five. After bowing to Kankakee, 21-12, and to hard-playing Joliet, 20-0, Thornton dropped its third league encounter in a row to Thornridge, 12-0. Thornton's mighty little team fought back hard to clobber Argo, 27-0, only to be beaten by Blue Island, 14-6, and Lockport, 18-12.

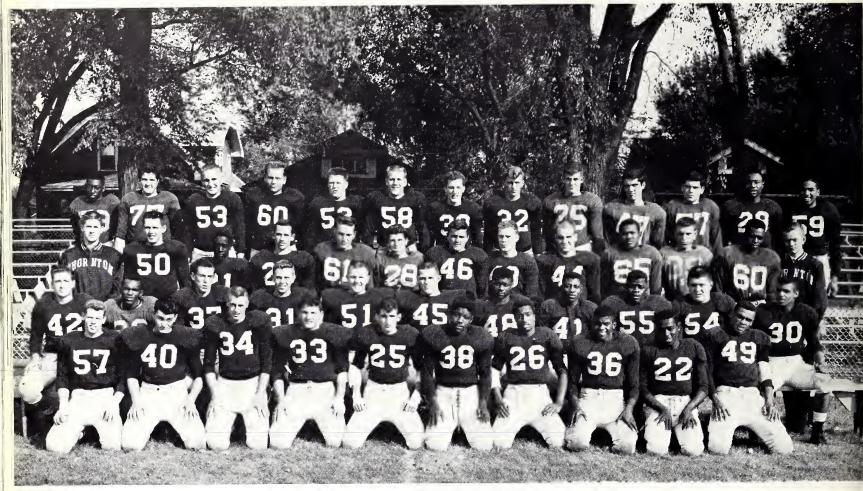

In spite of the season record, coaches Ted Czech and Dick Bruno considered the entire squad of sixty-three as having a terrific amount of potential.

Outstanding players of the season were co-captains Pat Brewer and Lewis Swanson, halfback Greg Pardee, guard Bob Swietlik, and end Wally Olczak.

Thornton's junior varsity football team blanked Joliet, 20-0; beat Argo, 48-19; and lost to Kankakee, 13-7, for an overall mark of 2-1. Frank Bauman and Bill Purden coached.

SOPHOMORES. Mike Leake, 33, makes a block on Waukegan as Jim Capolillo, 23, is ready to help his teammate.

#### Varsity lands a fifth place in league standing

With players like Glenn Becker, Ted Flournoy, Leroy Jackson, Glenn Weaver, and Joe Warnell, it's a wonder that Thornton's *Varsity* football season wasn't more successful. The squads came through with a 5-4 record to finish the season in fifth place in the South Suburban League.

The Bloom game highlighted the season as the Wildcats, led by mighty Joe Warnell, trounced the Trojans, 27-21. All the players named above made the SSL All-Star team. Ted Flournoy was named most valuable player. Coaching the varsity were T. B. Huddlestun and Bob Blaha.

Seven juniors deserving of recognition were Bill Doster, Barney Eilers, Morris Johnson, Dave Kolton, Burton Patrick, and Jim Swiatek.

Wildkits, trained by Joe Keane and Barney Benedetto, finished the season with a 5-3-1 record. The team scored a total of 199 points.

Thornton shut out Thornridge, 42-0; Bloom, 32-0; and KKK, 33-0; but lost to Blue Island, 6-0. At homecoming, Lockport and Thornton tied at 14-14. Leading TTHS to a 5-3-1 record were Vernis Mims, Jim Capolillo, Robert Jackson, James Grant, Robert Covert, and Jack White.

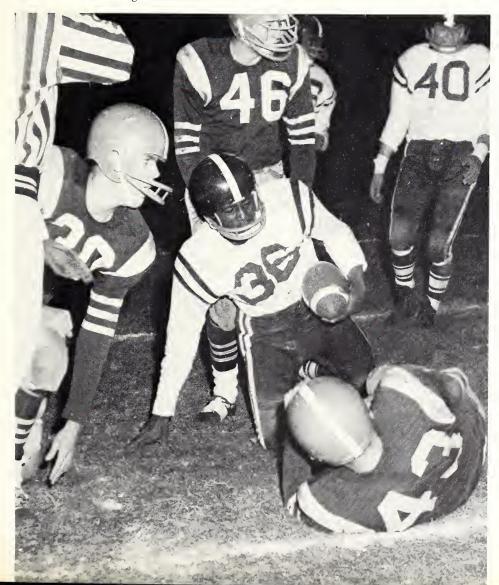

A swarm of Kankakee players traps Vernis Mims and pulls him to the ground in a muddy battle.

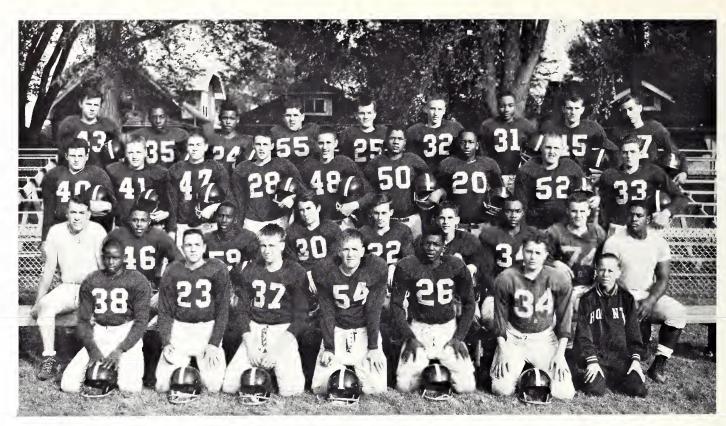

Key blocks by teammates help John McKibben evade his would-be tacklers.

Cliff Hawkins, 36, gets up after being tackled close to the Blue Island goal line.

Flournoy scoops up loose ball as Erv Bratcher leads him out into the open.

Thornton basketball teams were again victorious this season. Varsity squad captured South Suburban League honors as well as Blue Island Regional and Harvey Sectional crowns before losing to York in the Sweet Sixteen super-sectional at East Aurora.

Frosh-Soph squad had a fine over-all mark of 17-2 this year, losing only to Joliet and East Aurora.

Junior Varsity contributed its players to the varsity lineup most of the time. Among those substituted were Bill Kamphenkel, Hank Robinson, Jim Harris, Dan Smith, and Charles Jolliff.

Freshman basketball ended with an 11-9 record. The boys lost most of their games in the first of the season but came back later to beat those teams which had been victorious over them before.

"Thornton beat Bloom!" Yes, this year the Wildcats "Twisted the Trojans" twice and "Plucked the Falcons" three times—once to win the Blue Island Regional. Cats came back in the second half of conference play to avenge an earlier loss to Joliet by winning, 71-58. Lockport's Porters were the only other team to "Can the Cats," which they managed twice. In their last game, Wildcats "Krashed the Kays" in the only overtime, to win sole possession of the SSL championship.

After taking the regional title, the Cats made Thornton's tenth bid for the state crown. In the championship sectional game, they were at their best defensively. This win afforded Thornton a spot in the "Sweet Sixteen," the state tournament.

Despite an 8-6 win-loss record midway through their games, Thornton's Varsity basketball squad turned out a fine season. Teamwork made the difference during the second half as Thornton went on to win eleven more games while losing only two.

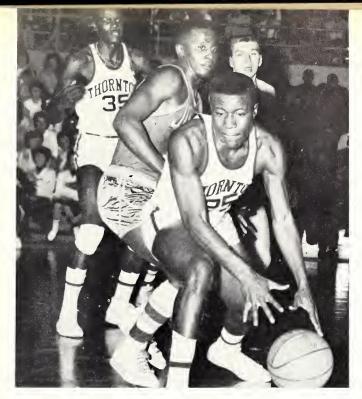

Senior Leon Clark, 6-6 center, backed by seniors John McKibben, Jim Massick, Reuben Poindexter, and sophomore Bob Covert, set the all-time scoring mark at Thornton—1,335.

Poindexter, McKibben, and Clark made the All-South Suburban area team. The latter, a candidate for all-state honors, also made the All-Northern Illinois team. Clark was also selected Player of the Year by the Chicago Sun Times. Then the team selected him as Most Valuable Player. Cocaptains for the Wildcats were McKibben and Poindexter.

Deserving recognition are Claude Steele, most valuable swimmer; Bob Fisher, captain; and Shelby Steele, sophomore, defeated only once in 16 dual meets. In the conference meet, Claude Steele set a new record in the 220 yard individual medley and was first in the 100 yard breast stroke.

Varsity gymnasts did a good job of representing the school this year. As a fairly new team at TTHS, they did well in both district and state competition. They improved from thirteenth in state last year to seventh this year and placed third in the district. They broke even at seven-all in the won-lost record. Curt Hahn was first in district on side horse, second in allaround, and fourth in state on side horse. Ken Wiegand was first in state on parallel bars and Jerry Crowder was third. Coach Foerch was pleased to have seven qualify for state competition: Hahn, Wiegand, Crowder, Steve Whitlock, Brian Robertson, Bill Kirkby, and Earl Lintner.

Frosh-soph gymnasts won 4 and lost 7. Since they had no conference nor league of their own, they often helped out the varsity. Ron Varner, Ralph Whipple, Greg LaPointe, Andy Babiarz, and Jerry Sparger were in that category from time to time.

Four outstanding varsity baseball players made All-South Suburban in 1961—Bob Caress, Claude Kracik, Gil Schultz, and Barney Arendt. With Caress on first, Kracik at shortstop, Schultz behind the mound, and Arendt in the outfield, the 1961 varsity team took fourth in South Suburban league competition and won the district title.

Coach Robert Blaha had high hopes for 1962 varsity competition with returning players Bob Covert, Larry Muehring, Jim Swiatek, and Doug Terandy.

1961 Frosh-Soph baseball had a 2-4 conference won-lost record, and a 5-7 won-lost non-conference list.

Tom Koelling, Mel Bonner, Leroy Brody, Jim Harroun, and Henry Pucik were returning players, but no one proved to be as valuable as Jim Capolillo. Mr. Willie Brown and Mr. Joe Keane were coaches.

Indoor practice in the Buda meant using the BIG NET to stop the balls.

1961 was a good year for varsity track. Coach Frank Bauman was proud of the five school records made. John McKibben, Paul Congo, R. V. King, and Steve Twining were pace setters in mile relay. Best performers in 880 relay were Marv Keeling, Ray Banks, Jim Wilkerson, and Henry DeBose.

Thornton's cindermen took second in a 27-team district meet. Scores: Bloom 36¾, 1st; Thornton 34, 2nd; Joliet 28, 3rd; Kankakee 24¾, 4th.

Varsity track ranked first in the 1961 conference meet.

Frosh-Soph coach Ted Czech named Dave Kolton, Doug Holloway, Jim Wilkerson, and Bob Jackson as his top performers. Kolton was known for his shotputs and Wilkerson for his low hurdles. Frosh-Soph track competition in league meets included Joliet, Bloom, and Blue Island, but Thornton cindermen maintained a 5-2 win-loss record.

Coach Bauman hoped for a state title in 1962.

### well-balanced sports program

Last year's *Varsity Tennis* squad had a poor season. Coach Robert Sutor was not impressed by the team's 1-11 win-loss record.

Mr. Charles Moore coached 1962 varsity tennis; Mr. Sutor worked with the Frosh-Soph squad. The two coaches placed all hopes of gaining a state title in returning first stringers Bob Hallman and Ed Adams.

Varsity Golf placed second in the annual conference and third in the annual district meets. Over-all season record of 8-2-2 pleased Coach Benedetto.

Ken Bartosh was the team's most valuable man. He served as team captain, placed third in district, and first in conference. With returning varsity lettermen David Blankenburg and Jim Massick, Coach Benedetto had hopes of winning firsts in conference and league meets.

Cross-Country did not qualify for state competition, but ranked fourth in conference. Captain Jim Massick and Coach Dick Foerch were proud of the 5-2 conference record and the 6-3 non-conference record. Cross-Country practice will begin this summer.

Girls Athletic Association again captured top prizes in the Homecoming parade, taking first place in both the float and car divisions, and the best in the overall entry.

Beverly Marionneaux won the annual Posture Contest and was crowned all-school queen at the G.A.A.

Girls Athletic Association gained approximately one hundred new members this year, which meant that each one had to complete at least one sports season of eight weeks. If a girl attended six out of the eight weeks, she received G.A.A. credit toward the association awards: emblem, numerals, small T, GAA, Big T, and the newest entry, the gold necklace for top honors.

The swim pageant was presented in April. Some forty acts, composed of girls from swim classes, private groups, and dance groups, performed to their favorite music. Theme of the show was "Tickets to Broadway," presenting only hit Broadway stage songs. A setting of lights and buildings provided backgrounds for each of the acts. Groups designed their own costumes.

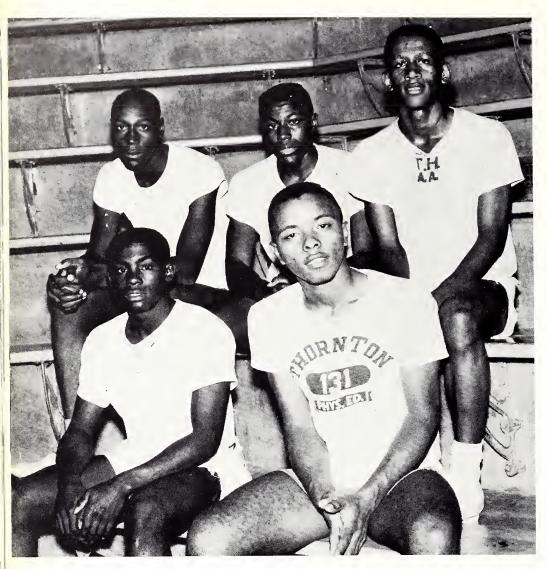

MODERN DANCE gained rapidly in popularity.

## Intramurals developed class basketball champs

Intramural sports are designed to give every interested boy a chance to play. Since varsity squads can accommodate comparatively few players, intramurals attract hundreds of boys.

Intramural activities begin in September and last until June. Basketball and swimming are the fall sports. Winter activities included table tennis, checkers, chess, shuffleboard, bowling, and volleyball. Spring brings softball, tennis, golf, wrestling, and badminton.

Any boy who was not a member of a varsity sport could take part in intramural games. Tournaments, both elimination and round-robin, resulted in champs and trophies. In basketball, championship teams came from Mrs. Benjamin's and Mr. Lahti's homerooms. Mr. Mendenhall sponsored intramurals.

PUNCHING BAG—Leroy Allgood.

Many boys at Thornton found nothing any more interesting than intramural sports for an after-school occupation. There was always a long line waiting to get in on table tennis games, for instance.

Anyone could work individually or on a team. Experience was not necessary for any intramural sport,

but cooperation and good spirits were.

Some boys found that punching bags helped them to let off steam; others preferred team activities. Whatever the desire, there was a sport to fit. Mr. Carl Mendenhall, director, had only one regret—not enough space to accommodate everyone nor to promote additional kinds of sports. He would have liked to increase the number of participants from four hundred to double that number.

BOWLING. Wayne Tellis, assistant to Mr. Mendenhall, helps Ronald Bratcher to set up plastic bowling pins.

THORNTON ORGANIZED DIVERSITY

Personnel at Thornton means more than a group of people who put in their day's work and leave. They are interested in the jobs they perform. Whether they are administration, faculty, staff, or students, all join to make Thornton the fine school that it is. In spite of the bigness, there is a closeness and a spirit that impresses visitors and makes them a bit envious.

Personalities are not just names; they are real people.

SUPERINTENDENT. Dr. James D. Logsdon, B.Ed., M.A., Ph.D., superintendent of Thornton Township schools.

### Superintendent brings world view to Thornton

Dr. James D. Logsdon, superintendent of TTHS, TJC, and Thornridge, and also president of the National Association of Secondary School Principals, has been busier than ever this year. Even before the school year began, Dr. Logsdon was studying. He was studying education in foreign countries. He was in such places as Rome, Copenhagen, Hamburg, Zurich, London, Hong Kong, Saigon, Tokyo, Dusseldorf, Frankfurt, Amsterdam, New Delhi, Manila, and Honolulu.

At Philippa Fawcett Training College in London, Dr. Logsdon was an observer at the Federation International Professeurs de l'Enseignement Secondair Officiel. "The real theme of that conference was the improvement of counselling and guidance practices in secondary schools," he said. After the conference in London, Dr. Logsdon went to the World Confeder-

ation of Organizations of the Teaching Profession in New Delhi, India. The theme there was "education for responsibility." Talks by Prime Minister Nehru and the Minister of Defense, Mr. Menon, were highlights of that meeting.

Later, Dr. Logsdon represented the National Education Association at Saigon in South Vietnam. He also visited some of the secondary schools in Manila. In regard to his trip, Dr. Logsdon wrote the following in an article:

'A world tour is a good medium to remind any individual of his own inadequacy in such matters as world geography, world cultures, and linguistics.' Then, after another six months at TTHS, Dr. Logsdon topped off his activities by presiding at the NASSP convention in February. Thorntonites were proud to have such high honors for their good friend.

COUNSEL. Mr. Burton Evans, school attorney; Mr. A. F. Waldschmidt, township treasurer.

BUSINESS MANAGER. Mr. J. A. Peterson, B.A., M.S., business manager and secretary of the Board.

#### Board, Counsel, Business Manager plan policies

Mr. Burton Evans, school attorney, and Mr. A. F. Waldschmidt, township treasurer, are advisers to the Board of Education of Thornton Township. Mr. Evans interprets school laws and gives guidance in legal procedures. Mr. Waldschmidt handles district funds.

Mr. J. A. Peterson, business manager and purchasing agent for TJC, TTHS, and Thornridge, is always on the go. He is secretary of the Board of Education and is directly responsible to the superintendent. He makes all deposits, signs all checks, and has all books audited for all school organizations.

Board of Education of Thornton Township High School, District 205, is a seven-person group whose members are elected for the overlapping terms of three years. The Board holds monthly meetings to determine general policies for the control, operation, maintenance, and expansion of the high schools and junior college. It also selects a superintendent as its chief executive officer, who is the head of divisions and departments. He makes recommendations to the Board concerning personnel, salary schedules, and policies necessary to the school program.

BOARD OF EDUCATION. Mr. Harold J. Gouwens, Mr. Robert H. Reese, Mr. James T. Ozment, Mr. Louis Boudreau, Mr. Henry Vandenberg (president), Mr. Herbert G. Greiner, Mrs. Robert C. Pebworth.

PRINCIPAL Mr. Omer W. Renfrow, M.Ed.

## Principal and assistants manage Thornton affairs

ASSISTANT PRINCIPAL Mr. G. R. Valbert, M.S.

ASSISTANT PRINCIPAL Mr. Carl L. Beier, B.S., M.S.

Mr. Omer Renfrow, principal of Thornton Township High School, is never too busy to take a few minutes to get better acquainted with students and their parents. Though working with the faculty to improve courses and working with department chairmen consumes much of his time, Mr. Renfrow still finds room in his schedule to work closely with Thornton's many organizations.

By visiting various classes, Mr. Renfrow hopes to help faculty do the best possible job of teaching and encourage experiments in testing new ideas and improving the school program. Recent experiments are the language lab, sophomore speech classes, leadership training classes, and the special program for slow-learning students.

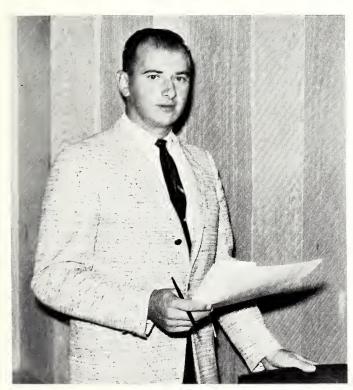

As assistant principal, Mr. Valbert, a thirty-fouryear veteran of TTHS, has such duties as handling registration, student programs, faculty substitutes, and school buses. Mr. Valbert is in charge of student and faculty orientation.

Mr. Carl Beier is the college counselor. His office is always open to students who desire information about colleges or scholarships. Mr. Beier visits colleges to talk to former TTHS students as well as to admissions officials.

Mr. Mel DeGraff, a graduate of TTHS, is now Dean of Boys. But that is not all; he is also Boys Club sponsor and varsity swim coach. Mr. DeGraff has been a swim coach for the twelve years he has been here; dean for three.

Miss Helene Wilson, Dean of Girls and sponsor of the Girls Club, also has her hands full. She not only helps to solve the problems of individual girls, but she also manages an organization with approximately twelve hundred members. Girls Club and its activities keep Thornton girls constructively busy.

## Deans handle many types of student problems

## Counselors guided classes to graduation

It has become the practice for Thornton counselors to pick up their classes during the students' sophomore year of school. Miss Marthalou Gray, junior counselor, is the only counselor now who has had the same class from the freshman year on. This Hoosier started counselling the same year her class began its training at TTHS.

Mrs. Ruth Harms, Senior Class counselor and NHS sponsor, is one of Thornton's busiest figures. After seeing the class of '62 off, she will go back to help the class of '65.

Mr. Toby Hightower, Sophomore counselor and chairman of the Guidance department, spent his first year with TTHS this year.

Helper of the Freshmen—that's Mr. George D. Lercher, Freshman counselor. He remains the freshman counselor, too, for purposes of orientation and testing for the beginners. He also helps the freshmen, through their teachers, to fill in their four-year schedule plans and thus avoid later problems.

## Advisory group helped with principal's problems

Keeping the principal in close touch with the faculty is the job of the eighteen-member Advisory Council. The principal reports on school progress, previews coming events and problems, and announces action taken on previous council suggestions. In turn, the elected faculty representatives ask questions from the faculty and give reactions to the principal's report. This council meets bi-monthly.

P-TA, short for *Parent-Teacher Association*, is a well-known abbreviation around TTHS. Headed by Mrs. Edward Moravek, this organization, designed to bring teachers and parents closer together, enjoyed another successful year. "Meet-the-Teachers" night was extended half an hour, and the Christmas concert was again well-received.

Along with trying to create a better understanding

between parents and teachers, the P-TA provides funds for scholarships for those students wishing to attend college but not having money available to them.

Under the direction of Miss Sarah Barmore, the Faculty Association tries "to provide a professional organization for the members of the faculties of Thornton and Thornridge." The entire membership meets four times a year, alternating between Thornton and Thornridge. The association celebrated American Education Week with a buffet dinner to which leaders in the community were invited. There were displays explaining the teaching profession. The association awarded a \$100 renewable scholarship to a student planning to teach. The association is affiliated with the Illinois Association of Classroom Teachers and the National Education Association.

Department Chairmen committee, a group of twenty-two, meets the third Monday of each month. The committee is the first step in intensifying the honors program, in establishing a special program for slow-learning students, and in expanding library use. It has also changed the system of NHS election and of computing class rank.

Just as the absentee sheets originate in the Main Office, so does a teacher's day. This office contains the faculty mailboxes, the mimeograph and ditto machine, and the telephone switchboard. Incoming and outgoing mail, just as everything else, is at one time or another associated with the heart of TTHS.

Miss Marian Finchum and Miss Dora Harthun have jobs that are much alike. Miss Finchum is Mr. Renfrow's secretary; Miss Harthun is Dr. Logsdon's. They are receptionists; they make appointments, write reports, take dictation, take care of requisitions, and do filing. They even help students and faculty whenever they can.

All permanent school records are kept in the Registrar's office. These include attendance records, personality ratings, and grades. Student grade averages for honor rolls and report cards also come from the Registrar. Those planning to go to college apply here for transcripts of their credits.

## **Business office—accounts**

Located in the new section of Thornton High School, the Business Office serves Thornton High, Thornton JC, and Thornridge High. It handles accounts and budgets of all school organizations. Payrolls for school employees, along with any purchasing, are processed through this office. Thornton's Busines Office even handles preparations for any school board referendum elections.

Helping the women in the kitchen of Thornton's cafeteria are about forty students. The women, who serve between fifteen hundred to sixteen hundred students in the food line and an additional thousand in the milk line, work from eight in the morning until three forty-five in the afternoon. The cafeteria staff also serves at banquets held at TTHS.

For the faculty, coffee and rolls are available in the Faculty Cafeteria besides regular meals. Student help is used here too.

## Maintenance—fine campus

Mr. Howard Doster is superintendent of buildings and grounds for both Thornton and Thornridge. With the help of his secretary, Mrs. Irene Williams, he supervised the maintenance of both the schools. His staff takes care of heating, lighting, and cleaning the school and of purchasing supplies. They see to it that there are men on hand at all times to repair anything that is broken and to solve the problems that students and teachers always seem to be presenting them.

His staff is on duty twenty-four hours a day. During school hours women keep the washrooms in order, men care for the grounds, and someone is always in the boiler room checking heating and pool systems. Care of the gym takes five men. At night others clean or act as watchmen.

## National Honor Society is high recognition

NHS OFFICERS. Bob Dahl, treasurer; Dick Hough, president; Nancy Lynn, secretary.

A member of the National Honor Society can be easily recognized at Commencement by the gold tassel on his mortar board—a symbol of academic achievement, leadership, and service. It is one of the highest recognitions a student can receive at Thornton.

The honor, however, is not bestowed lightly. Only fifteen per cent of the graduating class, one third of whom may be juniors, receive this coveted honor. To be eligible for membership, a student must rank in the upper quarter of his class. Students elected as juniors were the ones who carried out the work of the society. They elected officers, held meetings, and worked on fund-raising projects. Projects this year included the sale of paperback books, supervision of polling places for the K.I.P. election, and the sale of small facsimiles of diploma cards.

Under the leadership of the senior class officers, the class of 1962 has been very active. This graduating class may not be the largest that Thornton has ever seen, but it has accomplished a great deal. Out of its 562 members, 132 were on the honor roll, much to the delight of Mrs. Ruth Harms, the senior class counselor and adviser. Mr. Beier, college counselor, was happy to note that 280 of the class were planning on college after graduation.

Seniors were busy all year raising funds for the class gift. This year, they sold tickets to the Thornton production of South Pacific and TTHS pins to all of the classes. As always, there was the planning and execution of the Prom.

SENIOR CLASS OFFICERS. Carol Romba, asst. treasurer; Sheila Divekey, 2nd vice-president; Donna Torrence, president; Joan McCulloch, asst. secretary; Fred Aprati, 1st vice-president; Bob Dahl, treasurer; Sandy Painter, secretary.

HONORS DAY. Seniors in caps and gowns were an impressive sight. They filled the gym floor.

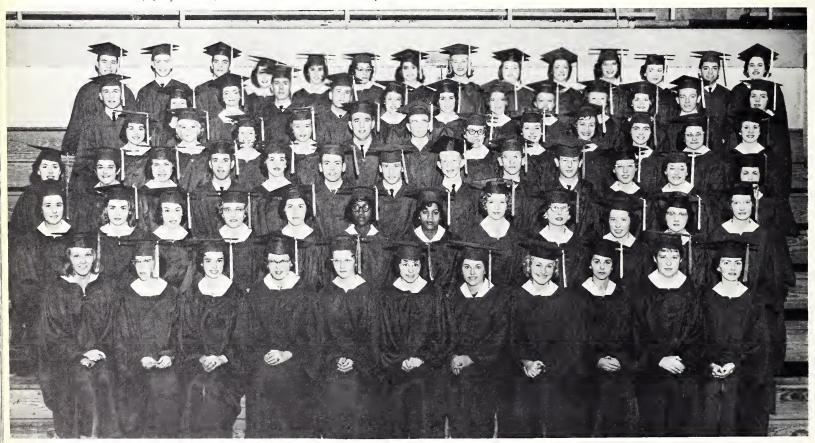

Honors Day and Flag Day are as traditional to Thornton as the T-bench. The Flag Day ceremony revolves around, quite obviously, the National Flag. Honors Day was the first time seniors were allowed to wear their graduation robes. It was the start of the build-up of all the many activities leading to commencement.

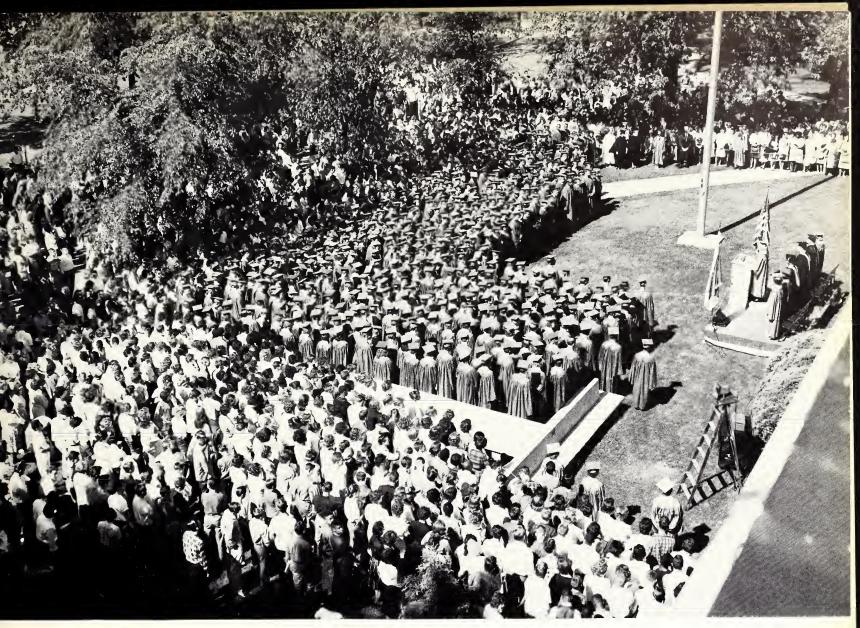

Honors Day was anxiously and fearfully awaited by both juniors and seniors alike. It was the day that recognition was given for scholastic and athletic achievements. Also, winners of college scholarships and appointments were announced. Most of all, however, it was the day that names of new members of National Honor Society were made public.

FLAG DAY. Traditionally a Thornton ceremony, Flag Day is one of the most important affairs of Commencement Week.

## Graduation climaxed Senior year

The day of days had arrived. Happiness and a bit of sadness walked with the Thornton graduates. They were going away from four years of study and hard work. But of course, there were also the memories of good times and happy experiences.

Commencement began with the processional of the graduates. There were remarks by Mr. Henry Vandenberg, president of the Board of Education, by Dr. J. D. Logsdon and Mr. O. W. Renfrow, and by two student speakers who discussed class views on their past and future. Mrs. Harms presented the seniors to Dr. Logsdon and diplomas were awarded. Then came the recessional. With this gesture, the class of 1962 vanished as Thornton seniors and the class of 1963 took their place as head of the student body.

COMMENCEMENT. All seniors look forward to it, but when it finally arrives, they are sad.

## Staff thanks its many helpers ...

Mr. E. C. Hackleman for his technical help; Mr. Ralph Van Dyke for layouts and art work; Foote and Davies, our printers; Mr. Bill Snell and the S. K. Smith Company for covers; the Root Studios and all the personnell, but especially Mr. Dohmke, Mr. Roche, Mrs. Brooks, and Mr. Cornejo, for the pictures; the TTHS board of education, administration, faculty, staff, and student body, who made the book possible.

## ... and pats its own back

We put in a lot of hard work. We hope you liked the results. We are the staff—Jayne Blessing, Sherrie DeVries, Sheila Divekey, Sharon Jarog, Linda Lyon, Pamela Mann, Cammie McDaniel, Bill McGowan, Sandy Painter, Veronica Poremba, Diane St. Pierre (first semester), Margaret Siville—and the faculty adviser, Miss Dorothy Washburn.
